

Summer Reading List for **Incoming Kindergarten** 2018-2019

The following is a suggested reading list for incoming Genesis Kindergarteners. We recommend you read 20 minutes aloud a day. We also suggest reading the books over and over as the scholars love the repetition. This allows the scholars to start recognizing words and details as they listen. Ask scholars questions about what they think is happening, what will happen, and why as you read with them; it builds important comprehension skills.

Highly recommended authors:

Dr. Seuss (must read), Eric Carle, Tomie dePaola, Mercer Mayer and Shel Silverstein.
