

SLA MANAGEMENT'S CAFETERIA HUB

SLA Management is proud to release your school's customized Cafeteria Hub. With this tool, you will have access to your school's monthly menus, nutritional and allergy information, payment portal, and much more.

CAFETERIA HUB FEATURES

Digital Menus – Monthly menus with nutritional and allergen information. Current month and next month menus will be available.

Lunch Payment Portal – Easy access to fund and track student and staff lunch accounts.

Harvest of the Month – Introduces a new fruit or vegetable for the month, while focusing on the positive health benefits each provides. Monthly recipe included.

Online Survey - Your input helps us improve, meet, and exceed your expectations. Fill out a survey today!

Resources - A place for you and your students to find out more about nutrition, health, and wellness.

About SLA Management - Link will take you to the SLA Website.

DIGITAL MENU FEATURES

Nutritional information – Hover your mouse over a menu item to see the nutritional label.

Allergens - Click on an allergen to the right of the menu: Milk, Eggs, Peanuts, Tree Nuts, Fish, Shellfish, Soy, and Wheat. All menu items that contain the selected allergen will be highlighted in yellow on the menu.
