

GENESIS INNOVATION ACADEMY
Professional Qualifications Policy

The Genesis Innovation Academy (Genesis) policy on Professional Qualifications dictates that for a teacher to be considered as Professionally Qualified, that teacher must have at MINIMUM:

- A Clearance Certificate

AND

- A Bachelor's Degree

Genesis prefers that teachers also meet at least one of the following requirements:

- A valid teaching certificate in their instructional subject/field (or related subject/field)
- A degree in their instructional subject/field (or related subject/field)
- Pass the GACE in their instructional subject/field
- Full-Time teaching experience for at least one year in a public or private school
- For teachers in grades 2-5, possess a bachelor's degree or higher in a core content subject (or closely related subject)
