

GENESIS

INNOVATION ACADEMY

Parent Academy

Learn. Connect. Volunteer.

Welcome to the Genesis Innovation Academy Parent Academy—your one-stop hub for volunteer training, school resources, and family engagement.

Whether you're a new or returning volunteer, this is where you'll complete your annual volunteer application, required training, and volunteer opportunities

At Genesis, we believe strong partnerships between families and our school community create the best opportunities for scholar success. Thank you for investing your time, talents, and support. We look forward to partnering with you for an amazing year!

Together, we learn, connect, and make a difference.

Join Parent Academy

As a family member or community volunteer, you will need to complete the required volunteer application and training, which are located in our **Parent Academy Course in Schoology**.

You can access Schoology through the Schoology app, which is available in both the **iOS App Store and Google Play Store**, or by visiting **schoolology.giacademy.org**.

To create your Schoology account, please email techsupport@giacademy.org from the email address you would like to use to receive notifications about volunteer opportunities. Our Technology Team will create your Schoology account using that email address. Once your account has been created, Schoology will send you an email with your account information and a temporary password.
